**ST. ANTHONY’S PRE ~ PRIMARY SCHOOL**

J. Boman Behram Marg, Mumbai – 400 008.

Dear Principal,

I wish to apply for a place in Class \_\_\_\_\_ in the Academic year 20 \_\_\_\_\_ - 20 \_\_\_\_\_, for

(Child’s name) ....., who is my child/ward.

I have supplied the information requested in the attached form. I declare that it is true and accurate. I agree that, if it is later discovered that any information has been suppressed or found to be incorrect, this application may be rejected and could lead to termination from the school.

I fully appreciate the fact that acceptance of this application is left entirely to the discretion of the school authorities, and does not in any way guarantee admission.

I hereby state that signing this application form implies unconditional acceptance of all the School’s admission procedures and process, rules, regulations and fees in force and as may be changed from time to time.

I am conscious of and acknowledge the Constitutional Right of the Management to administer this minority educational institution according to their choice, and accept their decision on admissions, favourable or otherwise, as final and binding.

I further accept that trying to bring influence in any form or from any quarter shall summarily disqualify candidature.

*I have taken note of the long standing state policy of the school banning donations linked with admissions. To prevent unscrupulous individuals and intermediaries taking advantage of gullible parents, I undertake to bring any such information and details to the notice of:*

**The Vigilance Cell, Archbishop’s House, 21, N. Parekh Marg, Mumbai – 400 001.**

Yours faithfully,

.....  
Parent

**PLEASE NOTE**

1. **There are NO DONATION-LINKED ADMISSIONS.** Beware of unscrupulous intermediaries who, for their personal gain, offer to intervene on your behalf. You could be deprived both of admission of your child as well as your hard earned money.
2. In order to tackle the menace of intermediaries taking advantage of gullible parents, **any attempt to bring influence will disqualify candidature.** Your bringing to the notice of our Vigilance Cell, any information that will help us keep the admission process free from intermediaries, will be treated with utmost confidence and will not jeopardise your child’s admission.
3. On account of inadequate good quality schools, the number of applications that we receive are well in excess of the number of children that we can admit. This, therefore, results in disappointment to all who cannot be accommodated. While we do understand your concern as a parent, we trust you will appreciate our constraints in case your child is not admitted. After announcement of the admissions (as all seats would be filled up), **It would not help to seek an appointment to put forward your case for special consideration.** Your cooperation and understanding would be appreciated.
